V primeru, da želimo spremeniti izborne pogoje podatkov na trenutnem pregledu, z opcijo Izbor ponovno izberemo nabor dokumentov po uporabniku in statusu.

The screenshot shows the 'Izbor' menu in the iCenter software. The menu is open, and the 'Izbor' option is selected. The background table lists various invoices with their status, invoice number, document number, partner, name, contract, type of calculation, number of months, days for payment, and transfer frequency.
